Overview

Roses Beach House is an absolute beachfront family shack at Black Point. You can walk out the front door and step out on to the sand – it doesn't get any better than this at Black Point!

With 4 upstairs bedrooms (queen, trio bunk, queen and 2 single beds), Roses Beach House sleeps up to 9 guests (maximum 8 adults). Quilts & pillows are provided, guests will need to bring their linen (sheets, pillowcases, towels & tea-towels) with them for their stay.

Roses Beach House has 1 bathroom with a shower (no bath) & a separate toilet.

There are 2 separate living areas at Roses Beach House; with reverse cycle split-system air-conditioning upstairs & downstairs.

The living rooms have comfortable seating with 2 flat screen digital televisions, DVD player and DVDs.

Downstairs is a fully-equipped kitchen with microwave, large fridge/freezer & oven; while upstairs is a small kitchenette with a bar fridge.

Outside Roses Beach House has an outdoor entertaining area overlooking the beach with seating & dining facilities, and a hooded gas barbecue.

There is plenty to do both summer and winter at this 2-storey property, complete with a downstairs playroom including table tennis and dart

board, making it a great option for families looking for coastal accommodation.

Roses Beach House has plenty of off street parking, with room for cars and boats.

Pets are welcome at Roses Beach House (inside dogs allowed downstairs on cement flooring); just let the Country Getaways staff know when making your booking.

Step away from the hustle and bustle and settle in for some well-deserved down time. Hear the sea from your bedroom, enjoy the beautiful view from the veranda and enjoy all that Back Point has to offer!
