Overview

Beach & Bubbles at Moonta Bay is a luxurious coastal retreat offering elegant, spacious accommodation across three beautifully designed levels. Just moments from the sandy shoreline, Beach & Bubbles combines contemporary style with thoughtful comfort, creating an exceptional holiday experience for families and friends seeking a high-quality seaside escape on Yorke Peninsula.

With room for up to 10 guests (maximum of 8 adults), Beach & Bubbles features 4 stylish bedrooms. The top level includes a luxurious master king suite with an ensuite bathroom and private balcony access, along with a second king bedroom and a trio bunk room with a double on the bottom and single on the top. A double sofa bed in the master bedroom provides additional flexibility.

On the lowest level, a serene queen bedroom offers a peaceful retreat with easy access to a main bathroom with laundry facilities. Quilts, blankets and pillows are provided, and guests can bring their own sheets, pillowcases, towels, bathmats and tea towels, or optional linen hire is available through the Country Getaways office. A portacot is included, with guests supplying their own bedding.

The master bedroom offers its own private relaxation zone with a

television, DVD player, a selection of DVDs, comfortable sofa and balcony access.

Across the three levels, Beach & Bubbles offers 3 beautifully appointed bathrooms. The master ensuite includes a walk-in shower, vanity and toilet, while the main top-level bathroom features a shower over bath, vanity and toilet. A powder room on the middle level adds convenience, and the lowest level has a bathroom with walk-in shower, vanity and toilet. Guests are provided with a hairdryer during their stay.

Luxurious year-round comfort is ensured with ducted reverse cycle air-conditioning throughout Beach & Bubbles, complemented by a desk fan and portable heaters which can be used in any room as needed.

The middle level is the heart of the home, showcasing a sophisticated open plan living area with seamless indoor and outdoor flow. A gourmet kitchen features premium appliances including a gas stovetop, electric double oven, microwave, coffee machine compatible with standard Nespresso pods, and a large French door fridge with filtered water. The kitchen also offers a breakfast bar and an extensive range of smaller appliances to make meal preparation effortless.

The elegant lounge area includes leather recliners, generous sofa seating, a large wall-mounted smart television, soundbar and WiFi, with board games and children's toys for relaxed family time.

The dining room is a standout space, offering all-season dining with heatstrips, garden views, a servery window from the kitchen and a Weber Q barbecue. Additional conveniences for families travelling with younger children include a highchair, portacot and stairgate.

On the lowest level, laundry facilities include a front load washing machine, clothes dryer and clothes airer, positioned alongside the bathroom for ease of use.

Outdoors, the luxury continues with landscaped gardens, a fenced rear yard, lawned area and a stylish undercover alfresco space perfect for entertaining. Guests can enjoy the fire pit when in season, make use of the fish cleaning facilities, and store bait and drinks in garage fridge along with a chest freezer for bait.
