## Overview

Catalina Cottage is a budget holiday house located only 350 metres to the Moonta Bay beach & Simms Cove.

Catalina Cottage has 3 bedrooms with a queen, queen, bunk bed & single, and can sleep up to 7 people. Quilts and pillows are provided, but guests will need to bring their linen (sheets, pillowcases, towels & tea-towels) with them for their stay, or linen can be hired through the Country Getaways office.

The bathroom at Catalina Cottage has a shower only, with the toilet located outside, approximately 4 metres from the house.

Catalina Cottage has reverse cycle split system air-conditioning in the living area, and ceiling fans in all rooms.

The kitchen at Catalina Cottage is small but well equipped with everything you need for your stay. It has an electric stove, microwave and large fridge/freezer. There is a coffee plunger & coffee grinder (guest need to bring own beans or purchase locally).

In the lounge is a television, turntable with LP records, radio and board games.

The laundry is combined with the bathroom, and includes a front load washing machine.

Outside, the yard is large with a shaded lawned area surrounding the holiday house for kids

to enjoy. There is also an undercover dining area with a hooded gas barbecue.

Moonta Bay is a great spot for catching Blue Swimmer Crabs, and at Catalina Cottage crab nets and rakes are supplied for guests to try catching their seafood feast at the nearby beach.

Catalina Cottage has off-street parking for up to 3 cars with room for a boat.

The beach & Moonta Bay jetty is just a short walk away, and the Splash Town water park is nearby.
