# Port Vincent Seaside Apartments – Apartment 4, Port Vincent

## Overview

Book online now

Located in a beachfront position on Marine Parade at Port Vincent, the Port Vincent Seaside Apartments complex is comprised of 4 luxury apartments.

On the upper level, Apartment 4 has 3 bedrooms – queen, queen, 2 singles & 2 trundles – and can sleep up to 8 guests with all 3 bedrooms having a wall-mounted television.

Quilts and pillows are provided, but guests will need to bring their linen (sheets, pillowcases, towels & tea-towels) with them for their stay, or linen can be hired through the Country Getaways office.

The holiday accommodation has an ensuite bathroom with a walk-in shower & toilet; and a main bathroom with a bath, shower & toilet.

There is ducted air-conditioning throughout the apartments, providing guests with year-round comfort in all seasons.

The lounge room is spacious with plenty of seating along with a large television & BluRay player.

The kitchen is well-equipped for any length of stay with a gas stove, fridge/freezer, microwave, sandwich press, Nespresso coffee machine & dishwasher.

Adjoining the spacious open plan lounge room, dining area & kitchen is the balcony which offers another great entertaining space with seaviews across the bay. This outdoor area has seating

and a dining table, with a hooded gas barbecue.

Guests have a complete laundry within the holiday apartment, with a front load washing machine, clothes dryer, sink, iron & ironing board.

Outside, guests have access to the undercover fish cleaning area and the Port Vincent boat ramp is just a short drive away.

For those enjoying the beach just across the road, there's also an outdoor shower to wash the sand off before heading indoors.

Each apartment has 1 allocated parking space in the off-street carpark behind the numbered garage door; with street parking for additional vehicles.

The ground floor apartments have exclusive use of the gardens surrounding the apartments and the front yard; with the car park & fish cleaning area a shared space between all 4 apartments.

The Port Vincent Seaside Apartments are located on the beachfront at Port Vincent, with Apartment 4 located on the upper level on the northern side of the apartment complex. The upstairs level is accessible by a stairwell at the rear of the apartment complex.

The apartments are directly across the road from the Port Vincent playground & kiosk, and just a short walk to the main street, hotel & cafes.
