Overview

The Little White House is located in a prime beachfront position on Port Vincent's Marine Parade. Everything in Port Vincent can be reached within easy walking distance, with the main swimming beach, playground and wharf located just across the road.

The Little White House offers family style accommodation containing everything you would expect in a holiday rental. You can relax on the front verandah in any weather and watch the comings and goings throughout the town and on water, including the regular sailing club events.

Being located across from the beach, means that you can watch the older kids playing in the water and on the pontoon, just 100 metres away!
