Dolphin Cove accommodates up to 6 guests (maximum 5 adults) across 2 bedrooms, with 1 queen bedroom and a second bedroom with a trio bunk (double on the bottom and a single on the top), along with a single trundle. Quilts and pillows are provided for all beds, however guests are required to bring their own sheets, pillowcases, towels, bathmats and tea towels, or alternatively linen hire can be arranged through the Country Getaways office.

For year-round comfort, the accommodation features split-system reverse cycle air-conditioning in the main living area as well as in the master queen bedroom, while ceiling fans in both bedrooms and the living space provide additional airflow during warmer

months.

The open plan living area at Dolphin Cove combines the lounge, dining and kitchen spaces, creating a light-filled hub for relaxing and entertaining. Guests can unwind in comfortable lounge seating with armchair recliners while taking in the sea views from the lounge room, or enjoy a movie on the large smart television. Complimentary WiFi, board games and books are available for entertainment, and a desk in the master bedroom provides a convenient space for remote working. The dining area features a large table positioned to capture views across North Beach, enhancing the coastal experience.

The fully equipped kitchen at Dolphin Cove includes an electric oven and stovetop, microwave and convection oven, dishwasher and a large fridge with freezer on top, along with a Nespresso coffee machine requiring standard compatible pods. Additional appliances such as a kettle, toaster and air fryer ensure all cooking needs are well catered for, while an extra freezer located in the laundry offers added convenience for longer stays.

Laundry facilities include a top load washing machine, iron, ironing board and clothes airer, along with a pull-up clothesline at the rear of the property.

Outdoors, Dolphin Cove provides a pleasant rear entertaining area set amongst terraced gardens in the unfenced yard, complete with outdoor dining and seating, a patio umbrella and a hooded gas barbecue, ideal for enjoying meals in the fresh coastal air.

Guests can enjoy aquatic activities with beach access just a short walk away, with Dolphin Cove providing a beach trolley and kayaks with oars for guest use, noting that guests will need to bring their own life jackets if intending to use the kayaks.

Parking is available at the holiday house with an off-street garage space for 1 car as well as additional street parking for 1 car in front.
