## Overview

Located within the Wallaroo township, Rosie's Cottage is a cosy self-contained original cottage and is ideal for 2 couples holidaying or workers visiting Wallaroo.

With 2 bedrooms - queen, double - Rosie's Cottage can sleep a maximum of 4 people. Quilts and pillows are provided, but guests will need to bring their linen (sheets, pillowcases, towels & tea-towels) with them for their stay, or linen can be hired through the Country Getaways office.

The bathroom has a small bath, with a separate shower and toilet.

There is reverse cycle air-conditioning in the hallway at Rosie's Cottage, and pedestal fans located in each bedroom.

Rosie's Cottage has a small but functional kitchen with a dine-in area. It's well-equipped with an electric oven & cooktop, large fridge/freezer and coffee percolator (guests will need to bring their own ground coffee or purchase locally).

The lounge room is a great spot to relax with a television with USB port, CD player & radio.

Outside, Rosie's Cottage is fully fenced with a 4 foot fence at the front and a 5 foot fence surrounding the rear yard. There is also an outdoor dining area and a flat top barbecue.

Guests have access

to secure off-street parking in the garage for a standard sized car and there is room between the gate and garage for a small vehicle to park off the street.

Pets are welcome - just let the Country Getaways staff know when booking that you will be bringing your pet, plus the breed and age.

Rosie's Cottage has plenty of character and charm, and retains heritage elements of the original cottage with its 14 foot ceilings.

This cottage is perfect for couples, 2 people travelling together who want their own space or workers needing accommodation. It's walking distance to several hotels, cafes and the main shopping precinct of Wallaroo.
